

PUBLIC MEETINGS NOTICE

The Miami-Dade Office of Community and Economic Development (OCED) has scheduled a series of Community and Economic Development (CED) Advisory Committee meetings within Focus/Target/Neighborhood Revitalization Strategy Areas for local residents, Eligible Block Group residents and the general public as part of the Citizen Participation Process. The purpose of the meetings will be the continuation of the new Five-Year 2003-2007 Consolidated Planning Process and the Neighborhood Needs Assessment process of identifying the highest priority needs along with specific projects that would most closely respond to the community's highest priority needs. The Draft Miami-Dade County Proposed FY 2003-2007 Consolidated Plan and FY 2003 Action Plan Policies [FY 2003 Proposed Policy Paper] will be distributed and discussed for comments. Property owners, business owners and community-based organizations are invited and encouraged to participate at these meetings.
